## HANDHELD ENTERTAINMENT SYSTEM

### FEATURES

- Uses all TurboGrafx-16 Game Cards, from the TurboGrafx-16 library with over 50 titles available by December '90.
- High Resolution, Active Matrix Backlit Color LCD Screen (74K pixels) for crystal clear viewing even in the dark.
- Small size for convenience.
- Built-in turbo-fire buttons for fast action games.
- Headphone jack for 6-channel stereo sound.

### TURBOEXPRESS ACCESSORIES:

#### TurboVision TV Tuner

Turn your TurboExpress Handheld Entertainment System into a lightweight, portable color TV.

The TurboVision TV Tuner weighs only a few ounces and locks into your TurboExpress unit in seconds.

The Audio/Video-In feature on the tuner lets you hook it up to a VCR or even use it as an extra monitor for your camcorder.

#### AC Adapter

(Available Spring '91)

Play TurboExpress for hours on end without replacing batteries.

#### Car Adapter

(Available Spring '91)

Play TurboExpress in the car, just plug the car adapter into the cigarette lighter and you're ready to go.

#### TurboLink

(Available Spring '91)

Connect two TurboExpress systems for two-player competition.
