SONIC SPIKE™

WORLD CHAMPIONSHIP BEACH VOLLEYBALL

The action sizzles in **SONIC SPIKE™**, the hot new video game packed with thrills and sand spills. Boys and girls will feel like they're on the front line of the world's most brutal beach volleyball game as they blast the ball over the net, bumping, spiking, digging, jumping, quick-faking a return. Orbital lobs soar to the sun; earth-pounding spikes vibrate the ground.

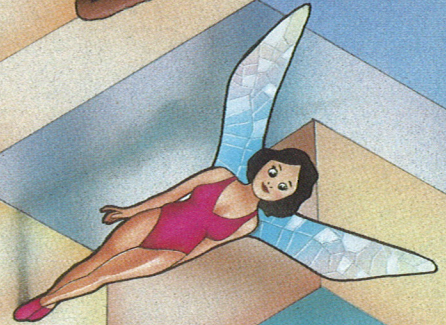

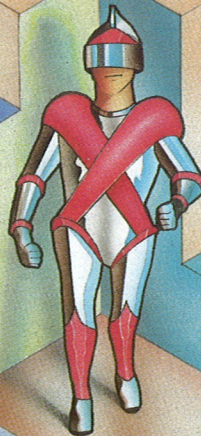

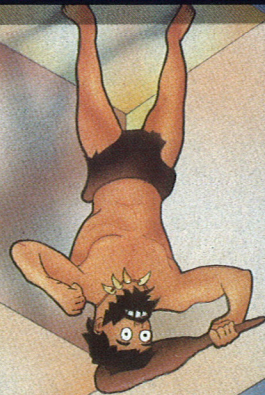

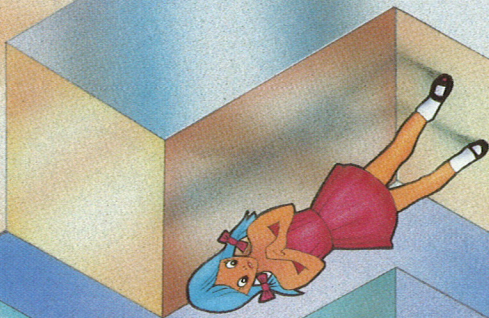

Teams are selected from 24 athletes from six nations. Players can pit gals against guys in a battle of the sexes, or fight the competition of the century with teams from Japan, Brazil, Australia, USSR, USA or China.

The only co-ed volleyball game on the market!

SONIC SPIKE™ is non-stop action for *boys and girls*, one to four players. Three courts of difficulty challenge their skills. If you're really good, you'll earn the challenge of facing "The Mysterious Competitor." Pound him into the ground...before he splatters you into the sand!
