1-2 PLAYER ARCADE GAME

Arise brave warrior, your services are once again needed! Baarogue the Destroyer has kidnapped the King's only daughter, Princess Sarasa, and is now bent on universal dominance! Become a powerful Fighter, a resourceful Mage, a magic-laden Priestess, or an agile Ninja in your quest to return peace to the once tranquil land of Deerzar! Be wary on the path to your goal! Baarogue has littered it with many foes, from the re-animated Hands of Stone to the Giant Pedra-Pods of Dokra-Ri. Enlist the services of a trustworthy friend to aid you, for this quest allows two brave souls to venture forth together via the TurboTap®. You must succeed, for Baarogue's dark power grows by the second, and soon no soul will be able to halt his advance!

Number of Players: 1 or 2
One TurboTap® and additional TurboPads® required for multi-player use.

Special Features: Multiple characters to play, each with different spells, weapons, strengths, and weaknesses.
