Action/Role-Playing Game

Become Sadler the desert warrior as he travels the known world in search of the precious Holimax! Join forces with Rumi, Kindi, and Fakhyle to piece together the puzzle that will allow you to find the Holimax and use it to overthrow the ruthless Klispin Crusaders! But keep your cool! In this quest, you'll have to trudge through waist deep snow, jump through haunted forests, plan a jailbreak, slink through creepy towers, and defeat terrifying monsters if you're going to get anywhere! Hurry! There is only one Holimax, and the enemy forces are closing in!

Number of Players: 1

Special Features: Requires TurboGrafx-CD or TurboDuo.  
Arcade Action modes!  
Over 20 minutes of intermissions!  
CD quality sound!
