The stadium organ is pumping as you faceoff against international competition. Play any position, even goalie, with total control. Experience all the stick handling, slap shots, body checks, and fisticuffs of world class hockey. Make strategic goalie and line changes. If their goon slams you into the boards, drop your gloves and duke it out. Now you're flying down the ice on a power play. You wind up and crank a high, blazing slap shot, but their goalie's reaching up and... Welcome to World War III, hockey style!
